

Abstract

Sammitr Motors Manufacturing Public Co.,Ltd. began as limited company in 1967 to produce car and truck body parts, moulds and fixtures for auto makers. Their production line was later extended to accommodate many other related industries.

As a small OEMs supplier, SMM eventually produced and distributed products under our own “Sammitr” brand, positioning ourselves as a “One Stop Logistics Solution Provider”. They have continually upgraded our personnel, production technology and R&D in order to provide the best possible service to our customers. Therefore, the Import-Export department need to understand the system and process. In which our team has chosen this company to study in Bill of lading, consisting of various documentary used to check bill of lading to achieve efficiency in performance

Keyword : Import-Export/Bill of lading
